GET support

Being an entrepreneur can be hugely rewarding but we understand that running and developing your own business also has its challenges. You are required to acquire a wide range of skills and at times it can be hard to gain perspective and plan your strategy.

SET for success

Help is at hand with Dormen, one of the UK's longest established mentoring programmes. Our mentors are available to come alongside on a 1:1 basis, to support and guide you to fulfil your aims and potential as well as overcome challenges. Whether you are a sole trader or a medium size enterprise, you can join over 1400 successful Dorset businesses owners who have received holistic and targeted mentor support to date.

GO further!

Come and experience a taste of mentoring for **FREE** with some of our mentors in an informal and relaxed atmosphere. We will give you a framework to help you think about your business, listen to your needs and give you feedback. All in just two hours!

Places are limited. To ensure yours, please email office@dormen.org.uk or call 01202 607530.
